SAFEGUARDING IN OUR CHURCH

Every year, the Catholic Church in Scotland collects important information about all those working with children and vulnerable adults on Church premises. Each parish is asked to undertake a detailed audit, answering questions about how they are complying with the safeguarding standards set out in the Church's policy document, 'In God's Image'. St. Columbkille's Parish has recently undertaken and submitted its annual safeguarding audit. Please see information leaflet 'Taking a Close Look at Safeguarding in Our Church', available at the back of the church, for further information about safeguarding.
