HATS:- Could all gentlemen please remove their hats **BEFORE** entering church as a mark of respect.

SAFE AND CONSIDERATE USE OF THE CAR PARK

As we are all aware parking is limited around the church and the car park is well used by those attending church and by users of the church hall. Recently there have been a number of occasions where legitimate users have been unable to leave due to vehicles being parked without consideration for others. **As manoeuvrability is tight in the car park we would kindly ask you not to double park or park on the hill of the car park.** Street parking is available in the vicinity as well as the car park at Rutherglen Exchange.

Fr Mournian has also written to South Lanarkshire Council regarding parking during Mass times . Please see response below:-

'Thank you for your letter dated 22 February 2022 regarding the Saturday service at 4pm. I can confirm that a sympathetic approach is taken to vehicles parking in the vicinity of places of worship during services. I have passed the information to the Parking Supervisor who will arrange for the Parking Attendants to be made aware of the Service. However, any vehicle parking in such a manner as to cause an obstruction will be issued with a penalty charge notice.' Angela Closs Parking Unit Co-ordinator.

Should anyone have any further issues with parking, please contact South Lanarkshire Council directly.
