### **CALLED TO CARE NOT TO KILL**

Liam McArthur MSP has published a bill to legalise assisted suicide in Scotland which will be debated and scrutinised by the Scottish Parliament. In response the Bishops' Conference of Scotland have written a pastoral letter urging the Catholic community to contact their MSPs, to ask them to work collaboratively to improve palliative care, and to reject the dangerous proposal to legalise assisted suicide, which would devalue life and put immense pressure on the most vulnerable to end their lives prematurely. We are called to care, not to kill. Copies of the letter are available at the back of the church. The Catholic Parliamentary Office has more information, resources and a template letter to help at their website [www.rcpolitics.org](http://www.rcpolitics.org).

### **THANK YOU FROM THE McGRATH FAMILY**

As the 10th generation of a Rutherglen family who has served this area since 1811 providing funeral service and bereavement support, I am pleased to offer all our community the best of care at a difficult time.

Although our original business passed from family ownership in 2011, I've always had the continuing desire to be able to provide a quality service with my own name over the door.

I promise that the families who place their trust in Scott Munn & Co. to assist them at the difficult time of bereavement will sense our dedication to personal care and attention.

I hope you will find a difference because we are different, family owned, and family focused.
